The Local Governing Body of Hatch Ride Primary School based in Crowthorne became part of the Corvus Learning Trust in January 2018 has a vacancy for a co-opted governor . We are keen to hear from self-motivated and determined people who are interested in becoming a governor, with an educational background

Co-opted governors are elected based on their skills by the Governing body, however, we feel that a willingness to learn is important along with the confidence to challenge and actively contribute during discussions and an ability to work closely and collaboratively with others.

Governors are required to attend 6 LGB meeting plus 6 committee meeting per year (all in the evenings) and undertake training delivered by Bracknell Forest Council or through National Association of Governors (NGA), which includes e-learning for other sectors and types of work – making school governance one of the best forms of personal and professional development.

Hatch Ride School was rated as 'Good' in 2017 the comment about governance gives a fair description of our Governing Body and its work.

Governors know the school well and use a range of relevant information to challenge leaders effectively. Governors therefore have an accurate view of the school's performance. They have identified the correct priorities and carefully check actions taken to bring about improvements to ensure that the school continues to move forward and remain good.
